notes

- 0) Really rocky, down by lake. Nice oaks, midstory tends to be UGS. TSI
- 2) On steep part of property. On and Rocky too, of course! TSI Ash, though it is near the property border
- 1) Nice plot... very nice oaks. Good spot for some TSI. Skeeters not great?
- 4) Plot has lots of old storm damage. High area w/ smaller oaks and top o' ridge w/ grasses. Small amount of old TSI stumps
- 3) Dead n' dying <12" Ash. TSI
- 5) Small area that was burned 57 years ago. Amazing regeneration. Minimal Non-Native so nice! So cute! Burn more!!!

Some recent split firewood chillin' in woods?

- 8) Moved plot to other side of driveway. Lil stream
- 6) Fire-damaged area. Amazing regeneration. Damaged midstory/overstory
- 9) Good spot for some TSI
- 11) High point? Some killed oaks... salvage if desired
Some orange TSI marked up here... It has to be other property, but it's very close to line, if not over!
- 10) Steep, Rocky. High elevation UGS trees

12 plots / 27.85 acres
